ABOUT US

WHAT'S ON

Crop Gardens is a green space in the heart of the city of Plymouth offering Horticultural Therapy, promoting mental wellbeing.

We are opening our doors on Saturday 30th June to celebrate 70 years of the NHS with a variety of stalls and activities for both children and adults, based around food craft and education.

We hope to raise £500 to develop a quiet relaxation room and a wood working area at Crop.

For more information please contact Steps Vocational Service on 01752 434 116.

- **CRAFT STALLS**
