## A Carers, Family and Friends Guide to the Team

Plymouth  
Community Learning  
Disabilities Team

# CLDT

Our service is for adults with learning disabilities who live in Plymouth.

We provide specialist assessment and support regarding health related needs.

We support families, carers and other Professionals and provide training.

The Triangle of Care focuses on the relationship between carers, staff and patients. We use this to work together.

Confidentiality

People may be happy for us to share some, but not all information with family and carers.

We will work with the person you care for to find out what information they want to share and what they want to keep confidential.

Our Team:

Key:

OT = Occupational Therapists

PBS = Positive Behavioural Support

SaLT = Speech and Language Therapists

We can refer you on to other services or you can contact:
