## Patient Information Leaflet

# Obtaining Your X-ray Appointment

(V1 October 2022)

Your Podiatrist has recommended that you obtain an X-ray relating to your problem.

For you to do this, you will need to arrange an appointment with Radiology by telephoning 01752 437188.

Please ensure that you phone at least 24 hours after the Podiatrist has given you this slip to ensure that the details have been received by the Radiology Service.

If you encounter any difficulties or have questions about this, please contact us on 01752 434855 and your Podiatrist will be advised you need to speak to them and will contact you as soon as possible.

**If you have any questions about the information in this leaflet, please contact Podiatry Services.**

**Further information about the service and how to manage a range of foot health problems yourself, can also be found on our website:**
