Safety Footwear Advice

(V1 May 2022)

If your work requires you to wear safety footwear, there are a wide variety of footwear providers to choose from. If your employer does not provide you with safety footwear, or you choose to buy your own, the following sources may be useful:

BOC

BOC are well known as providers of industrial, medical and special gases, but list a variety of safety footwear options on their website. Go to www.boconline.co.uk, then select the “PPE and Workwear” tab, then “Safety Boots and Shoes”.

The following suppliers also supply safety boots:

Wide Shoes

This company also provide extra-large sizes, as well as wide fitting. Visit them at: www.wideshoes.co.uk

Charnwood

Suppliers of wide fitting safety footwear. Visit: www.charnwoodfootwear.co.uk

If you have any questions about the information in this leaflet, please contact Podiatry Services.

Further information about the service and how to manage a range of foot health problems yourself, can also be found on our website:
